Oxford BioMedica plc

Notice of Annual General Meeting

Dear Shareholder,

This document comprises the notice of the 2012 Annual General Meeting ('AGM') of Oxford BioMedica.

The resolutions to be put to the meeting cover, as usual, approval of the Annual Report and Accounts, the reappointment of certain Directors, the renewal of authorities to issue shares and the reappointment of the auditors.

In accordance with the Company's Articles of Association ('Articles'), certain Directors will retire and offer themselves for reappointment. In accordance with provision B.7.2 of the FRC UK Corporate Governance Code, the performance of the Directors being submitted for reappointment has been evaluated, and the Board recommends shareholders vote in favour of the proposed reappointments.

In accordance with Article 38.2 of the Articles, the following Directors are retiring from the Board by rotation and are submitting themselves for reappointment:

Peter Nolan, Executive Director and Senior Vice President, Commercial Development, was appointed to Oxford BioMedica's board in May 2002, having been a senior member of the Company since its foundation. Mr Nolan is also a Director of the UK BioIndustry Association and is a past chairman of the Oxfordshire Bioscience Network. He has broad experience and knowledge of the biotechnology sector. Prior to joining Oxford BioMedica, Mr Nolan served as head of the Biotechnology Unit at the UK Department of Trade & Industry for eight years. In that role he was responsible for establishing and managing complex collaborative research programmes involving industry, research councils and other government departments. Previously Mr Nolan held senior positions in the Laboratory of the Government Chemist and also the Metropolitan Police Laboratory in London where he was a senior forensic scientist.

Dr Andrew Heath, Deputy Chairman and Senior Independent Director, was appointed to Oxford BioMedica's Board in January 2010 and was appointed Deputy Chairman and Senior Independent Director in May 2011. Dr Heath is a healthcare and biopharmaceutical executive with in-depth knowledge of US and UK capital markets and international experience in marketing and sales, R&D and business development. He was Chief Executive Officer of Protherics plc from 1997 to 2008, taking the company from 30 to 350 staff and managing its eventual acquisition by BTG for £220 million. Prior to this, Dr Heath was President and Chief Executive Officer of Aerogen Inc, and previously held senior positions at Astra AB and Astra USA, including Vice President Marketing & Sales, and at Glaxo Sweden as Associate Medical Director. He is currently a non-executive director of XL TechGroup Inc, Anew Inc, Pioneer Technology Inc, and is a director of the BioIndustry Association.

In accordance with Article 33.2 of the Articles, Tim Watts, who was appointed to the Board after the 2011 AGM, is retiring from the Board and is submitting himself for reappointment.

Mr Watts joined Oxford BioMedica and the Board, as Chief Financial Officer and Company Secretary in February 2012. Mr Watts has over 30 years' experience in leading multinational and entrepreneurial businesses. Mr Watts qualified as a chartered accountant, beginning his career with Coopers & Lybrand before moving to H J Heinz, the food producer. In 1985 he joined ICI, initially in the corporate headquarters and from 1990 in the pharmaceuticals division, eventually rising to be Finance Director of the Zeneca Pharmaceuticals business. Following the merger of Astra and Zeneca, Mr Watts became Group Financial Controller of AstraZeneca PLC in 2001. In 2007 he left AstraZeneca to become Chief Financial Officer at Archimedes Pharma. He has a proven track record in the industry, including managing corporate transactions, M&A activity, fundraising and strategic implementation.

Resolution 7 seeks an authority to allot shares, subject to the normal pre-emption rights reserved to shareholders contained in the Companies Act 2006. The Association of British Insurers ('ABI') recommends that a company seek an annual authority to allot shares up to a third of their issued share capital. However the ABI have issued further guidelines permitting a company to seek authority to allot an additional third of their issued share capital, provided such additional third is reserved for fully pre-emptive rights issues. Resolution 7 reflects the ABI's recommendations.

Resolution 8 covers the granting of a waiver of pre-emption rights over the number of shares in Resolution 7, as applicable, and up to 5 per cent of the shares currently in issue for cash. The Directors consider it important to renew this authority. In the past, the Company has used this authority to issue shares at non-discounted prices to purchase intellectual property rights from third parties and to secure additional development funding under its collaboration agreement with the Foundation Fighting Blindness. In addition, the resolution allows the disapplication of pre-emption rights to deal with the possibility of fractional entitlements and legal or regulatory restrictions to a share issue.

The EU Shareholder Rights Directive was fully implemented in the UK in 2009 requiring that all general meetings must be held on 21 clear days' notice unless the company has obtained prior shareholder approval. At the AGM held in June 2009, shareholders authorised the Company to hold general meetings, other than AGMs, on 14 days' notice. In accordance with the Directors' intention to seek renewal of this authority annually, Resolution 9 is proposed to approve the holding of general meetings, other than AGMs, on 14 days' notice. The authority will be effective until the Company's next following AGM, when it is intended that the approval be renewed again. The Company will also need to meet the requirements for electronic voting under the Directive before it can call a general meeting on 14 clear days' notice. It is not intended that the shorter notice period would be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

There is a Form of Proxy for use at the AGM enclosed with this document. Shareholders are advised to complete and return the Form of Proxy in accordance with the instructions printed on it so as to arrive at the Company's registrars, Capita Registrars, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or to submit a proxy vote electronically via www.capitashareportal.com (see note 5), as soon as possible, but in any event no later than 48 hours before the AGM. The return of a Form of Proxy or the electronic appointment of a proxy does not preclude you from attending and voting at the AGM if you so wish.

The Directors consider that the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders, and they recommend shareholders to vote in favour of the resolutions.

Yours faithfully

Nick Rodgers
Chairman

Notes:-

1. A Shareholder entitled to attend and vote at the meeting is also entitled to appoint one or more proxies to attend, speak and vote on a show of hands and on a poll instead of him or her. A proxy need not be a member of the Company. Where a Shareholder appoints more than one proxy, each proxy must be appointed in respect of different shares comprised in his or her shareholding which must be identified on the proxy form. Each such proxy will have the right to vote on a poll in respect of the number of votes attaching to the number of shares in respect of which the proxy has been appointed. Where more than one joint Shareholder purports to appoint a proxy in respect of the same shares, only the appointment by the most senior Shareholder will be accepted as determined by the order in which their names appear in the Company's register of members. If you wish your proxy to speak at the meeting, you should appoint a proxy other than the chairman of the meeting and give your instructions to that proxy.
 2. If you are not a Shareholder but you have been nominated by a Shareholder to enjoy information rights, you do not have the right to appoint a proxy or proxies pursuant to note (1). Please read note (10) below.
 3. A corporation which is a shareholder may appoint one or more corporate representatives who have one vote each on a show of hands and otherwise may exercise on behalf other Shareholders all of its powers as a Shareholder provided that they do not do so in different ways in respect of the same shares.
 4. Form of Proxy is enclosed for use by members. To be valid it should be completed, signed and delivered (together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power of authority) to the Company's registrars Capita Registrars, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or submitted electronically via www.capitashareportal.com (see note 5), not later than 48 hours before the time appointed for holding the AGM or, in the case of a poll taken subsequently to the date of the AGM, or any adjourned meeting, not less than 24 hours before the time appointed for the taking of the poll or for holding the adjourned meeting. Shareholders who intend to appoint more than one proxy can obtain additional forms of proxy from Capita Registrars. Alternatively, the form provided may be photocopied prior to completion. The Forms of Proxy should be returned in the same envelope and each should indicate that it is one or more than one appointments being made.
 5. You may submit your proxy vote electronically via www.capitashareportal.com. From there you can log into your Capita share portal account or register for the Capita share portal if you have not already done so. To register, select "Account Registration" then enter your surname, Investor Code, Postcode and an email address. Create a password and click "Register" to proceed. You will be able to vote immediately by selecting "Proxy Voting" from the menu. You can find your Investor Code on the Form of Proxy enclosed with this document.
 6. An abstention (or "vote withheld") option has been included on the Form of Proxy and in the available options for electronic proxy voting. The legal effect of choosing the abstention option on any resolution is that the Shareholder concerned will be treated as not having voted on the relevant resolution. The number of votes in respect of which there are abstentions will however be counted and recorded, but disregarded in calculating the number of votes for or against each resolution.
 7. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001 and section 360B(2) of the Act, the Company specifies that only those Shareholders registered in the register of members of the Company as at 6.00 p.m. on 5 June 2012 or, in the event that the meeting is adjourned, in such register not later than 48 hours before the time of the adjourned meeting, shall be entitled to attend, or vote (whether in person or by proxy) at the meeting in respect of the number of shares registered in their names at the relevant time. Changes after the relevant time will be disregarded in determining the rights of any person to attend or vote at the meeting or any adjourned meeting (as the case may be).
 8. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited ("EUI") specification and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Registrar (ID 157 RA10) by 10.00 a.m. on 5 June 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that EUI does not make available special procedures in CREST for any particular messages.
- Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST members concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
9. Completion and return of a form of proxy will not affect the right of such member to attend and vote in person at the meeting or any adjournment thereof.
 10. If you are a person who has been nominated under section 146 of the Act to enjoy information rights, you may have a right, under an agreement between you and the Shareholder who has nominated you, to be appointed or to have someone else appointed for you as a proxy for the meeting. If you do not have such a right, or you do have such a right but do not wish to exercise it, you may have a right under such an agreement to give instructions to the Shareholder who nominated you as to the exercise of the voting rights attached to the Ordinary Shares in respect of which you have been nominated.
 11. As at 20 April 2012, being the last practicable date before the publication of this notice, the Company's issued share capital consisted of Ordinary Shares, carrying one vote each, so that the total number of votes at such date is 944,875,557.
 12. Under section 527 of the Act, the Company may be required by Shareholders representing at least 5% of the total voting rights of all Shareholders who have the right to vote at the meeting (excluding votes which attach to treasury shares) or by at least 100 Shareholders who have the right to vote at the meeting and hold shares in the Company on which there has been paid up an average sum, per Shareholder, of at least £100, to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts that are to be laid before this AGM (including the auditors' report and the conduct of the audit) or (ii) any circumstance connected with an auditor to the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act which in either case the requesting members propose to raise at the meeting. Such a request may be in hard copy or in electronic form, must identify the statement to which it relates, must be authenticated by the person or persons making it and must be received by the Company at least one week before the meeting. Such requests should be sent to the Company at Medawar Centre, Robert Robinson Avenue, The Oxford Science Park, Oxford OX4 4GA or may be faxed to 01865 783001 or e-mailed to enquiries@oxfordbiomedica.co.uk.
- The Company may not require the shareholders requesting such website publication to pay its expenses in complying with the section. Where the Company is required to place a statement on a website, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at this Annual General Meeting includes any statement that the Company has been required to publish on a website.
13. A copy of this notice of meeting, together with any members' statements which, in each case, have been received by the Company after the despatch of this notice and the other information required by section 311A of the Act are all available on the Company's website at www.oxfordbiomedica.co.uk under 'investors: shareholder meetings'.
 14. Shareholders, proxies and authorised representatives will be required to provide their names and addresses for verification against the register of members and proxy appointments received by the Company before entering the meeting. Each authorised representative must produce proof of his or her appointment, in the form of the actual appointment or a certified copy. Other than this, there are no procedures with which any such persons must comply in order to attend and vote at the meeting.
 15. Shareholders, proxies and authorised representatives may raise questions at the meeting concerning any business being dealt with at the meeting and will receive answers, except that a question need not be answered where it would interfere unduly with the conduct of the meeting, would involve the disclosure of confidential information, where the answer has already been given on a website in the form of an answer to a question or where it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
 16. The following documents will be available for inspection at the registered office of the Company at Medawar Centre, Robert Robinson Avenue, The Oxford Science Park, Oxford, OX4 4GA during normal business hours on any week day (public holidays excepted) from the date of this notice until the date of the AGM, and at the place of the meeting for one hour before the meeting and at the meeting itself:
 - copies of the Directors' service agreements and letters of appointment;
 - the constitutional documents of the Company, comprising the Memorandum and Articles of Association; and
 - the rules of the Oxford BioMedica plc Share Option Scheme and Long Term Incentive Plan.
